

INDUSTRIAL FLAME DETECTOR

Model IFD-E is an IR³ flame detector designed for use where open flaming fires may be expected and responds to the light emitted from flames during combustion.

The detector discriminates between flames and other light sources by responding only to particular optical wavelengths and flame flicker frequencies. This enables the detector to avoid false alarms due to such factors as flickering sunlight. Ideal for the detection of flames from the burning of Aviation Fuels (kerosene), Butane, Grain & Feeds, Hydrogen, Paper, Natural Gas, Petrol (gasoline) etc.

The unit features volt free contacts from two internal relays (can be latching or non-latching) RL1 (Fire) and RL2 (Fault or pre-alarm) which can indicate the status to the control equipment.

An Intrinsically Safe model is also available, **IFD-E(IS)**, which is certificated to

 II 1 G EEx ia IIC T4

An explosion-proof model is also available, model **IFD-E(Exd)** certificated to

 II 2 G D EEx d IIC T6 (85°C)

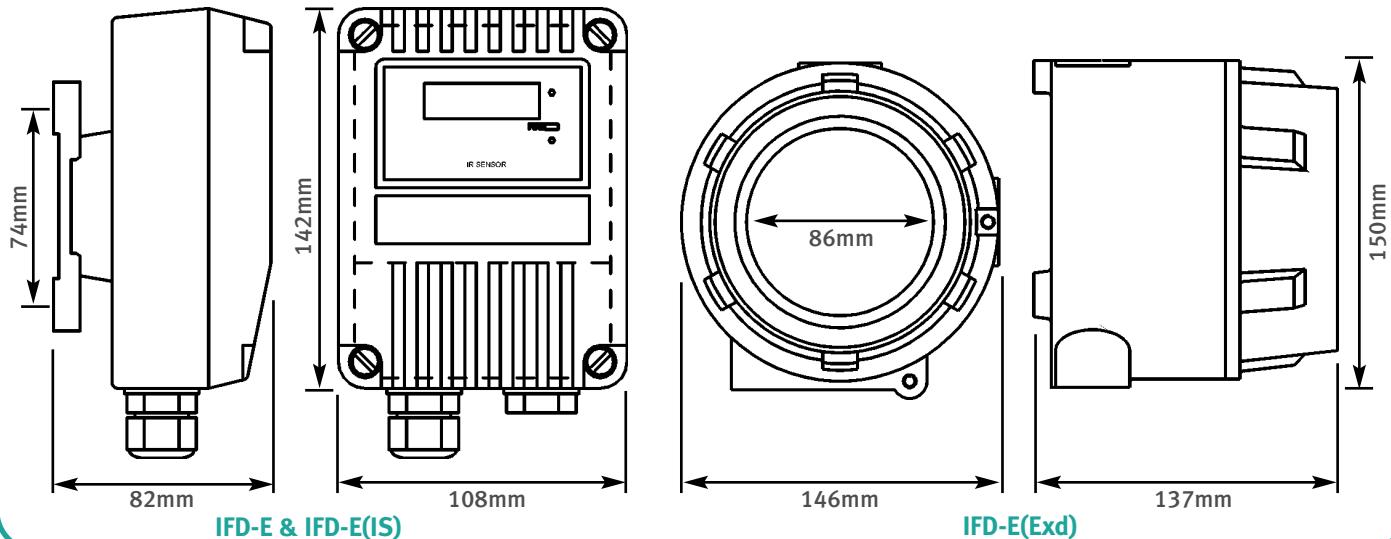

- ▶ Unaffected by convection currents, draughts or wind and solar-blind
- ▶ Tolerant of fumes, vapours, dust and mist
- ▶ Responsive to a flame more than 25m away
- ▶ Selectable response speed
- ▶ Class 1 performance as defined in BS EN54-10:2002 (on the high sensitivity setting)
- ▶ Optical self-test

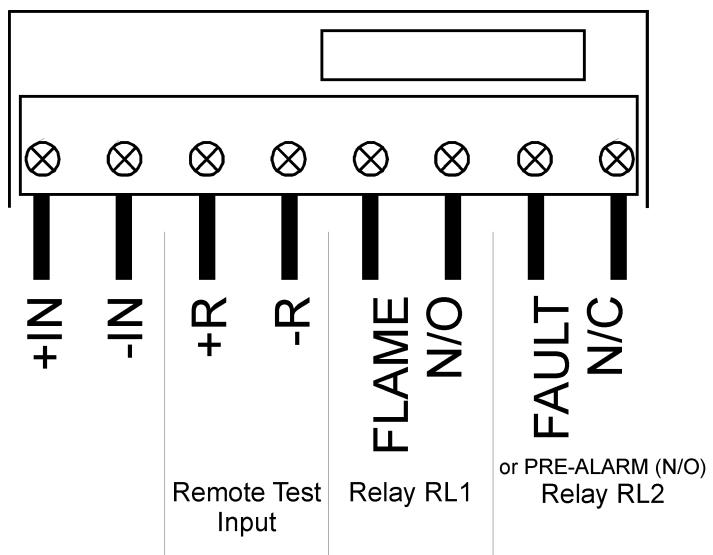

IFD-E(Exd)

DIMENSIONS

SPECIFICATION

Ordering Codes	IFD-E	IFD-E(Exd) (Explosion Proof Model)
	IFD-E (Intrinsically Safe Model)	
Operating Voltage	14 - 30Vd.c.	
Alarm Current (selected via by DIL switches)	3 ~ 28mA	
Test Signal Voltage	14 to 30Vd.c.	
Relay Contact Ratings	Current: 1.0A (max) Voltage: 50Vd.c. (max) Power: 30W (max) (resistive loads only)	
Field of View	90° min. Cone	
Operating Wavelength Band	IR (0.75 ~ 2.7μm)	
Operating Temperature Range	-10°C to + 55°C	
Storage Temperature Range	-20°C to + 65°C	
Power Up Time	2 seconds (max)	
Maximum Humidity	95%RH - Non Condensing (at 40°C)	
Ingress Protection Rating	IP65	IP66
Colour / Case Material	Blue / Die-Cast Zinc Alloy (ZA12)	Red / Copper-Free Aluminium Alloy
Weight (kg)	2.0	2.5
